September, 2008

FROM OUR CHAPLAIN, FATHER ZYLLA

Dear Brother Knights,

It's almost frightening for me to use the month "September" again, since for those of us who are in the academic world that word betokens a new phase about to begin once more. Many joys and interior rewards are the bright part of the picture, but also many difficulties and trials, a fresh dose of discipline, etc. are the other part. However, when I speak of it in two parts, virtually everyone else can claim that it's the same for them. In reference to ourselves as Knights of Columbus, perhaps our focus then is on the discipline aspect which comes to fore at this time of year.

Another way of speaking of the "discipline" is to say that our service as Knights must be real, not only lip service; our love of neighbor must be real, not only one of good intentions. (Remember that old saying, "*The road to hell is paved with good intentions.*"?) And we recall again a line of that old poem: *Life is real, life is earnest...* Since we pledge as Knights to "give service" to Family, Church, Community, Council, etc. we may as well actually do it. Let's go where the need is greatest.

One additional point. This year we celebrate "Labor Day" on September 1st. We are privileged to celebrate it. In many countries people are without work, or conversely, they are forced to work endlessly. We are *privileged* to work. It's God's way of helping us to come to the full perfection of being human beings, persons. Think of how much more and greater we are as persons precisely because we give ourselves willingly to the discipline of work. How many skills and talents we develop. How much more we can do for others because of work! What an immense depth of joy and satisfaction we experience in life because of work! Particularly as Knights we can rejoice because of this gift God bestows upon us. Have a happy holiday!

Fr. Robert Zylla, O.S.C.
Chaplain

FROM OUR DISTRICT DEPUTY

September is here, the children are back in school, the relaxing summer vacations are behind us and we look forward to our Fall Programs. September is the month for Chairmen of the Surge with Service activities to write their reports for the first quarter of this fraternal year. The reporting period for this quarter is from 1 April 2008 through 30 September 2008. This gives our councils six months of events to report on their successes.

District activities for September and October include a first degree scheduled for September 24th at Fr. Maher Council and October 2nd at Our Lady of Guadalupe, October 7th at Montgomery and a second degree **tentatively** scheduled for October 18th at Montgomery (Saturday at 2:00 pm). Recruiting new members is a daily activity for all Knights in our District and first degrees are scheduled every month at one of our councils to allow us to bring them in promptly. Be active in recruiting and help our councils grow with new brother Knights that will bring fresh ideas and new programs to our councils.

State activities for October include the Columbus Day Ball on October 11th, the Columbus Day Parade in Baltimore on October 12th and Columbus Day festivities at Union Station in D.C. on the 13th. Information on all activities is available through your Grand Knight.

We are off to an exciting start in our new District #30. Our District Warden Jack Giacalone and Phyllis and Nancy and I are looking forward to enhancing our extended families by attending as many activities as we can and become part of every council that we serve.

God Bless you and your families.
Vivat Jesus

GRAND KNIGHT'S REPORT

Dear Brother Knights and Families,

The new fraternal year is off to a great start. I hope you had a chance to join us for the Feast of the Assumption Mass and dinner at Father Cuddy Hall. It was a wonderful experience to join with the brothers and families of our council, and the Sullivan Brothers Assembly, to celebrate this sacred feast. Father Zylla never ceases to amaze with his pertinent words of wisdom on the meaning this special occasion has for each of us. I would like to thank Father Zylla for being there to provide this to us. I would also like to thank John Leighton, and those who helped him, as he organized his first church event for our council. It was a great success.

At this Mass our council had the privilege to make a donation, on behalf of the prudent management of our building corporation, to each of the parishes supported by our council. A total of \$12,000 was given - \$4,000 to each parish – to help with the needs of their schools and parishes. I will follow later with details on how the funds were used.

By the time you receive this newsletter our annual Tootsie Roll Drive campaign for the intellectually challenged will be well underway. This is traditionally the most intense charitable effort of the year for our council. The success of this year's drive depends wholly on the support of our individual members and families, who in past years have demonstrated the willingness to make sacrifices of their personal time.

Please step up this year and volunteer to help one the captains of a store near your home. By making this small sacrifice of your time, you are doing your part to live and grow to become a better Catholic. Realize that the experience means much more than collecting money for the needy – It is a chance for each of us to express our love of Christ. By giving freely of yourself - one of the most valuable things you have, your spare time – you are witnessing your faith before all. Consider the sacrifice you make as a form of prayer and the burden of the effort will become light.

Work with and observe your Brother Knights during the experience and you will see a deeper meaning in these charitable efforts. My personal experience with this organization has helped me understand what being a participating member of the Knights of Columbus means - it has helped me grow to become a better Catholic.

Contact John Leighton (301-340-9143), our Chairman of the Tootsie Roll campaign for this year - he will help you find an opportunity to join with your brothers and serve your community in the effort. Enjoy the experience as it helps you grow to become a better Knight and a better Catholic.

There are several other events in need of volunteers this month and next. Please take a look at the calendar at the end of this issue to see where you may be able to help. Contact Matt Mongelli (301-251-2949) for the Soccer Shootout, Mike Bean (301-460-6193) for the Family Social, Calvin Ogden (301-990-8641) for the Senior Citizen's Dinner/Dance, and John Durbin (301-762-4448) for the Special Olympics Picnic, and as always, you can contact me at 301-963-7521 with any issues or concerns.

Please know that your hard work is observed and appreciated by our community. Let's set an example, together as a team, of what being a Knight really means.

Fraternally,
Randy Drago, Grand Knight

As you might expect, the Supreme website has numerous articles about the International Convention of the Knights of Columbus in Quebec. Watch for upcoming *Columbia* issues for fuller coverage.

**KNIGHTS OF COLUMBUS CONVENTION DELEGATES ADOPT RESOLUTIONS
CHALLENGING CATHOLIC OFFICE-HOLDERS ON ABORTION, AFFIRMING
MARRIAGE AS UNION OF ONE MAN AND ONE WOMAN**

from Patrick Korten <communications@kofc.org>, Thursday, August 7, 2008

(Quebec City, Quebec) - Delegates to the annual international convention of the Knights of Columbus today adopted a resolution opposing "any governmental action or policy that promotes abortion, embryonic stem cell research, human cloning, euthanasia, assisted suicide and other offenses against life."

The delegates also challenged "our fellow Catholics who are elected officials to be true to the faith they claim to profess by acting bravely and publicly in defense of life, affirming with Pope Benedict XVI that 'there can be no room for purely private religion.'"

The resolution stated that the organization reaffirms its "commitment to building a culture of life by promoting policies that favor the family," and reaffirmed the organization's "long standing policy of not inviting to any Knights of Columbus event persons, especially public officials or candidates for public office, who do not support the legal protection of unborn children."

The resolution on life issues follows by several days the opening convention address by Supreme Knight Carl A. Anderson, in which he called on Catholic voters to "stop accommodating pro-abortion politicians," and encouraged them to "say 'no' to every candidate of every political party who supports abortion."

Delegates also adopted a resolution calling for "legal and constitutional protection . . . for the definition of marriage as the union of one man and one woman to the exclusion of all others."

The resolution declares that "marriage is a natural institution based on ancient human values that have evolved over time into a unique and deeply rooted social, legal and religious institution," and that it "reflects the natural biological complementarity between man and woman which predates the state and which is woven into the social and religious fabric of every major culture and society."

Marriage between man and woman "provides the most favorable environment in which to protect the rights and the best interests of children," the resolution stated.

Convention delegates adopted resolutions dealing with other public policy issues as well, including building a culture of life, religious liberty, the Universal Declaration on Human Rights, decency on the Internet and in the media, Catholic education, and the Pledge of Allegiance. The texts of all the resolutions can be found at:

EASY TO PUT OFF

Buying life insurance is something that's easy to put off until tomorrow. And with the busy lives we all lead, tomorrow can easily become next week, next month, or even next year. For the sake of those you love, don't let that happen. I consider it my fraternal obligation to make sure that every Knights of Columbus member has the opportunity to protect his family with the Order's top-rated insurance products. I'll work with you to put a plan in place that will help your family when that help is most needed.

We all know someone whose health, instantly and seemingly out-of-the-blue, changes. You may think this can't happen to you. Think again. And keep in mind that no one will ring a bell warning you that your health is about to change. Medical technology has turned many diseases previously termed "death sentences" into very treatable conditions. What medical advances haven't changed, however, is that being diagnosed with one of these diseases will dramatically affect your ability to purchase life insurance coverage. Don't wait until it's too late.

Your Knights of Columbus insurance program is second to none. Knights of Columbus life insurance represents a safety net for Catholic families that's unsurpassed, and I'm proud of that. I'm also concerned. Why? Because so many of our brother Knights have no life insurance with the Order. I suspect that, for many of them, tomorrow has become next week, next month or next year. Don't be one of them. Don't wait for the bell to ring. It isn't going to.

I'm at (301) 253-3856 or pmckofc@verizon.net. Call me.

2008 COLUMBUS DAY CHARITY BALL CAR RAFFLE

Dear Brother Knights,

The Maryland State Council is once again planning for the Annual Columbus Day Charity Ball. As the major fundraiser for this event, they have also included the annual car raffle. The proceeds from raffle ticket sales are split between the State Scholarship Fund and the individual councils participating. This has proven to be a very good source of income for councils to use in supporting their CHARITABLE endeavors throughout the year. The grand prize this year is your choice of a 2008 Pontiac G-6 4 DR Sedan (fully equipped) or a 2008 GMC pick-up truck regular cab (2-wheel drive -- fully equipped). The second prize is a flat screen color television. Don't forget that the grand prize was won in Gaithersburg in 2005.

You should have received your raffle tickets by mail. We hope that all members will be able to support Council #2323 in this fund raising effort by purchasing the tickets yourself, or selling them to others. As always, there are many more tickets available if you are able to sell a larger quantity. Please contact Shannon Doherty if you have any questions – or for additional tickets!

REMEMBER, THE COUNCIL GETS \$.60 FOR EVERY TICKET WE SELL.

You can return the ticket stubs (remember to include your name and contact information), and a **check made out to: "KofC Council #2323"** in the envelope enclosed in the mailing.

Please don't set these tickets aside and forget about them. Do it today!

Please respond before the cutoff deadline of October 2, 2008. YOUR COUNCIL NEEDS THE SUPPORT OF EACH AND EVERY ONE OF YOU IN THIS CHARITABLE EFFORT. We know that we can continue to count on all members to support the Council programs and want to thank you in advance for your response. Let's exceed last year's effort.

Fraternally yours,

Randy Drago, Grand Knight and Shannon Doherty, Incentive Chairman
