

**FAMILY NIGHT DINNER TO SUPPORT JUVENILE DIABETES  
RESEARCH FOUNDATION  
IN MEMORY OF RON DUNN, PGK**

Montgomery Council provides many opportunities for families to interact, such as participation in the Supreme Council's Family of the Month program, the pumpkin carving last October, and the ever-popular Family Night event. January's Family Night, held in the middle of the winter, provided a great break from the cold and dark. This particular event was held in memory of one of the Council's great supporters and a mentor, coach and friend to many, Ron Dunn, PGK, who passed away late last year. The Council had voted at its January business meeting to provide \$250 in his memory to support the Juvenile Diabetes Research Foundation (letter attached). In addition to an opportunity for families to get together, this particular Family Night also raised over \$300 to support one of Ron's favorite issues, research in diabetes.

Dinner consisted of pizza, fries and leftovers from the second degree held at the Council hall on January 15<sup>th</sup>. Deserts were ever popular, consisting of ice cream, cakes and pies and cupcakes. Before, after, and in-between eating, most of the kids could be found outside playing basketball by night light. In all, about 20 families showed up this January Friday night, with the Council donating about 20 volunteer hours total to the event.

Ron was a great friend, husband and father and will be missed by all.

Friends relaxing.

Dinner is served.

Laura explaining that ice cream waits till after dinner.

Dear Sir or Madam:

Please find enclosed a check for \$250 from Montgomery Council Knights of Columbus Council #2323. The funds were authorized by the Council to honor the memory of longtime service to the Council of our friend, colleague and fraternal brother Ronald Joseph Dunn. Ron passed away on December 28<sup>th</sup>, 2010. He will be missed by all.

Ron did much for his Church, Council and his community of Rockville, Maryland. He could always be counted on, without asking, to pitch in to whatever was needed. He was a great mentor to many and his legacy cannot be underestimated. I personally knew Ron only a few years as a Council member. As Grand Knight of Montgomery Council, I can personally attest to his concern for others. Ron was always asking me what he could do to help; collect money, smooth over hurt feelings, get someone else involved, whatever he could do to help, etc. These words do poor justice for the kindness and service that Ron exhibited throughout his life, and the high regard in our memory that the brothers of the Council hold for him.

It was the wish of Ron and the family that in lieu of flowers, a donation be made to the charity of our choice. It is our Council's wish that we honor of the memory of our departed brother Ronald Dunn, with a donation to the JDRF.

In honor of Ronald Dunn, I remain,

Respectfully;

A handwritten signature in cursive script that reads "John K. Leighton".
